

EVERGREEN CIRCLE: FOR ENTREPRENEURS

A LEADERSHIP CIRCLE FOR ENTREPRENEURS WHO WANT TO...

- move from start-up to sustainability
- build a team that enables your company to scale
- expand and enhance their leadership skills
- develop capacity and capability – of themselves and those they lead

WHY JOIN THIS CIRCLE?

- To lead strategically & cohesively in today's turbulent environment
- To learn, reflect and plan – so that you accelerate your company's growth
- To create an enduring, profound professional and supportive network
- To get and give candid & straightforward feedback
- To create a place and way for you to tackle your toughest leadership challenges
- To surpass what you thought was possible & to help your company do the same

WHAT YOU WILL LEARN AND DO

- How to use your signature strengths, talents and values as an entrepreneur
- How to cast a vision that pulls your organization into a better future state
- Discover your own blind spots and ways to overcome personal challenge areas
- How to build engagement and buy in for new ideas and processes
- How to build capacity and capability in your team and your organization
- How to coach others to higher levels of performance
- How to manage polarities to avoid “flavor of the day” syndrome
- How to delegate effectively

HOW IT WORKS

The process is designed for a group of 10 to 15 entrepreneurs from non-competing organizations in the community who complete the program together while working on a significant project of strategic importance to their company. Skills are learned by doing; relationships are deepened and community networks are nourished. The program combines group work, reading, individual coaching and a variety of other learning methods to cre-ate an unparalleled learning experience.
