

EVERGREEN CIRCLE: SHAPE THE FUTURE

A LIFE CHANGING PROGRAM FOR PEOPLE WHO.....

- Want to make a positive change in their professional life
- Are starting or growing a business
- Are making a career change
- Are wanting to have a meaningful retirement and/or second career
- Want to realize their full professional potential – in their current job or a new one

WHY JOIN A CIRCLE?

- To make positive changes in your professional life
- To get clarity on the change you desire – and how to make that a reality
- To challenge yourself to be your best – and to challenge others to do the same
- To create enduring, profound professional and supportive relationships
- To learn, reflect, and plan – so that you accelerate and sustain progress
- To get and give candid & straightforward feedback and advice
- To have a safe place to tackle your toughest challenges
- To surpass what you thought was possible & to help others do the same

WHAT YOU WILL LEARN AND DO

- Define your Inner Core (your strengths, passions and values)
- Envision a better future – one that plays to the strengths of your Inner Core
- Learn a creative process that enables you to achieve your desired future
- Use creative tension to create momentum
- Leverage synchronicity and overcome resistance
- Become an expert networker
- Shed things in your professional life that no longer serve you well
- Master the art of sustaining focus
- Use the power of gratitude and presence to enhance your personal and professional life
