## How does the nomination process work?

To receive the Community Builders Award, emerging leaders must be nominated by a sponsor in their community. To act as a sponsor and nominate a leader in your community, visit [evergreenleadership.com/community-builders-award](http://evergreenleadership.com/community-builders-award) and fill out the nomination form. There is no cost to nominate a leader.

Nominations are due on or before June 16 at 5:00 pm, and the recipients will be notified by June 23.

The nominee must be able to attend the retreat at Wooded Glen Conference Center in order to be considered. The Community Builders Retreat will start on Friday, July 28 (check in at 4, start at 5:30) and go through Saturday, July 29 (9 am to 5 pm).

Recognized leaders will only need to provide transportation to/from the retreat and have a great time creating new connections with their fellow leaders.

Evergreen Leadership helps leaders and their organizations learn to thrive in a changing world through community based leadership development programs, keynotes and workshops.

We are pleased to have Wooded Glen Conference Center as a sponsor for this event.
